# Let's talk numbers. Real claims, real savings.

If your organization only has a general liability policy, you may not be as covered as you think. Here's a real claim from one of our insureds to help explain why A&H coverage is so valuable. It's a winning combination.

## THE SITUATION

### Knee deep in medical bills

One day while doing his regular volunteer work, Vinny slipped on a wet spot on the floor and fell right on his knee! That landed him an ambulance ride and \$25K in medical expenses. Even after his primary health insurance, out of pocket costs were still \$9K.

## WITHOUT POMI

**Without pomi's A&H coverage, a non profit organization could be on the hook for that \$9K plus legal fees!**

Imagine how many good deeds that could be! And chances are, general liability coverage could increase too, costing even more money.

## WITH POMI

**With A&H coverage, the full amount was covered – all for a fraction of that \$9K**

And, since the policy not only covered Vinny, but the rest of the non profit volunteers, other potential accidents would be covered too. That'll keep ya lookin up!
