A little
more about
pomi

We started pomi to break free of the stigma that may exist: insurance is stale, confusing and time consuming.

pomi's creation also collided with the onset of COVID-19. So we took a step back and facilitated focus groups. We heard from real people, just like you, to ensure we truly produced one of the simplest, best quality experience and coverage possible.

OUR NAME

We took feedback so literally that we named ourselves after it! You wanted peace-of-mind-insurance and we think it has a nice ring to it!

OUR ROOTS

We've been a part of Great American Insurance Group for years! We started offering A&H in 2015. 5 years later, it was time to spread our pomi wings. And the rest is history!
