Let's talk numbers. Real claims, real savings.

If your organization only has a general liability policy, you may not be as covered as you think. Here's a real claim from one of our insureds to help explain why A&H coverage is so valuable. It's a winning combination.

THE SITUATION

The daycare nightmare

Katie is a typical clumsy toddler who fell and injured her face at daycare. Seven medical bills totaled almost \$5,000. After her parents' primary health insurance, the out of pocket costs were still over \$2,000.

WITHOUT POMI

Without pomi's A&H coverage, you could be on the hook for that \$2,000 plus legal fees!

Imagine how many coloring supplies you could buy with that amount! And chances are, your general liability coverage could increase too, costing you even more money.

WITH POMI

With A&H coverage, the full amount was covered – all for a fraction of that \$2,000.

And, since the policy not only covered Katie but all the children at the daycare, other potential accidents would be covered too.

Kid crisis averted!
